QUEROS CAPITAL PARTNERS PLC (REGISTERED NUMBER: 09294394)

**STRATEGIC REPORT
FOR THE YEAR ENDED 31 DECEMBER 2017**

The directors present their strategic report for the year ended 31 December 2017.

We are pleased to announce our financial report to our stakeholders for the period ended 31st December 2017.

Company's principal investment policy is focused in two key investment areas which is short term loan notes to SME's and real estate in UK and in Europe. The Company also provides consultancy and advisory services to its corporate clients.

Company has a listed Unsecured Bond on the NEX Exchange market (Formerly known as ISDX exchange) for the term of 10 years until the year 2025 at an 8% coupon.

The Company has invested at present in short term loan notes in order to service the coupon and further subscriptions will be invested in other larger property portfolios.

It has identified several investments in real estate sector in UK and investment will be made subject to satisfactory due diligence when further subscriptions will be raised via bond issue.

The company is investing in portfolios which generates high returns and there is a high demand for investing the monies subscribed. This is due to the strengths of the Directors and also there intrinsic knowledge of the markets and there sustained investment strategy.

The key strengths of why the investors subscribe to the Queros Capital Partners Plc 8% Bond are as follows:

- The company generates Predictable cash flows
- Identifies projects with high yield
- Always have several investment offers via its counterparts and sourcing agents readily available for investments
- Potential to gain leadership positions in their markets
- Strong operating contractual arrangements
- Strong Management teams with strong track records of investment strategies
- A demonstrated technical expertise and an excellent professional reputation
- Transparent financial structure and records and limited technological risk

The Company's key financial and other performance indicators during the year were as follows:

	2017	2016	% Change
	£	£	
Consultancy income	109,100	80,100	36%
Investment income	257,910	119,797	115%
Total Turnover	<u>367,010</u>	<u>199,897</u>	84%
Total bond subscription	<u>3,800,000</u>	<u>1,665,000</u>	<u>128%</u>
Total investments made	<u>2,536,255</u>	<u>1,592,280</u>	<u>59%</u>

Turnover from the Consultancy Income has increased by 36% as compared to previous year and Investment Income of the company has increased by 115% as compared to previous year

Total Turnover of Company has increased by 84% as compared to previous year

Total bond subscriptions have increased to 3,800,000.00 as compare to 1,665,000 which is an increase of 128%

Investments made by the company increased to 2,536,255.00 as compared to £1,592,280.00 last year which is an increase of 59%

For the financial year ended 31st December 2017, the Net assets of the company are £69,599 and it has successfully maintained its quarterly interest payments to the bond holders up to the reporting date and the board is determined to protect bond holders interest in the near future.

The Risk relating to the bond issues has been disclosed in the admission document of the company with NEX exchange (Formerly known as ISDX exchange) and is readily available from the website of the company www.queroscapitalpartners.com.

We continue to look and explore new investment opportunities to maximise stakeholders interest and developing our existing investments. The Board forecasts to maximise return on the investments in the near future in lieu of financial and political climate around the United Kingdom and Europe.

QUEROS CAPITAL PARTNERS PLC (REGISTERED NUMBER: 09294394)

**STRATEGIC REPORT
FOR THE YEAR ENDED 31 DECEMBER 2017**

Our board continues to maintain a high level of corporate governance and places great importance to risk management in selecting investments for the company. We expect our team to act both professionally in their day to day duties.

I wish to take this opportunity to congratulate our team for successfully meeting targets and achieving fruitful results for the company and its stakeholders.

At the end I would be thankful to our loyal stakeholders for their continued support in the past and will welcome the same in the near future.

ON BEHALF OF THE BOARD:

.....
M S Boom - Director

Date: MAY 22, 2018

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 DECEMBER 2017**

The directors present their report with the financial statements of the company for the year ended 31 December 2017.

PRINCIPAL ACTIVITIES

The principal activities of the company in the year under review were those of bridge financing and social housing in UK and in Europe. The company also provides consultancy and advisory services to its corporate clients.

DIVIDENDS

No dividends will be distributed for the year ended 31 December 2017.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 January 2017 to the date of this report.

M S Boom
C N Hutton
Y Singh

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Cox Costello & Horne, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

.....
M S Boom - Director

Date: May 22, 2018

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF QUEROS CAPITAL PARTNERS PLC

Opinion

We have audited the financial statements of Queros Capital Partners Plc (the 'company') for the year ended 31 December 2017 which comprise the Income Statement, Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Notes to the Statement of Cash Flows, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
QUEROS CAPITAL PARTNERS PLC**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. STATUTORY INFORMATION

Queros Capital Partners Plc is a private company, limited by shares, registered in Not specified/Other. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

For revenue arising from the rendering of services, provided that all of the following criteria are met, revenue is recognised by reference to the stage of completion of the transaction at the financial position date:

- the amount of revenue can be measured reliably; it is probable that the economic benefits will flow to the seller;
- the stage of completion at the financial position date can be measured reliably; and
- and the costs incurred, or to be incurred, in respect of the transaction can be measured reliably.

When the above criteria are not met, revenue arising from the rendering of services is recognised only to the extent of the expenses recognised that are recoverable.

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Income tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Trade and other payables

Trade and other payables are recognised initially at fair value, which is equivalent to amortised cost. The company accrues for all goods and services consumed but as yet unbilled at amounts representing management's best estimate of fair value.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 DECEMBER 2017

2. ACCOUNTING POLICIES - continued

Financial Instruments

Financial assets and financial liabilities are recognised on the statement of financial position when the company becomes a party to the contractual provisions of the instruments.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial instrument, or where appropriate, a shorter period. Income and expense is recognised on an effective interest basis for debt instruments other than those financial instruments "at fair value through profit or loss".

Loans and receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as "loans and receivables". Loans and receivables (including trade and other receivables) are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest method, except for short-term receivables when the effect of discounting is immaterial.

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities are classified as at FVTPL. Financial liabilities at fair value through profit or loss are initially measured at fair value and subsequently stated at fair value, with any resultant gain or loss recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'other gains and losses' line in the statement of profit or loss and other comprehensive income.

Other financial liabilities

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

Going concern

The company's business activities, together with the factors likely to affect its future development, performance and position are set out in the strategic report on page 2.. The financial position of the company, its cash flows, are also described in the aforementioned report.

At the year end, the Statement of Financial Position shows assets in excess of liabilities by £69,599 (2016:£65,611). From the company's forecasts and projections, taking into account of reasonably possible changes in trading performance, the directors have reasonable expectation that the company will continue to increase this excess for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

3. TURNOVER

The turnover and profit before taxation are attributable to the two principal activities of the company, as follows:

Consultancy income: £85,100 (2016: £80,100)
Consultancy income - Europe: £24,000 (2016: £Nil)
Investment income: £257,910 (2016: £118,194)

4. EMPLOYEES AND DIRECTORS

	31.12.17	31.12.16
